

*Walk with us as we transform fears
into compassion and apathy into action.*

2010 Annual Sacred Peace Walk
Las Vegas to the Nevada Test Site
March 29 to April 5

A Communal Pilgrimage to
America's Nuclear Sacrifice Zone

Sponsored by
Nevada Desert Experience.org

We walk in the footsteps of a long legacy of peace walkers and spiritual leaders to draw attention to the nuclear dangers that continue to threaten our sacred planet and the community of life. We come to heal this, the most bombed place on Earth.

The 63 mile journey is a walking meditation. It is also an opportunity for civil resistance calling for an end to development and testing of new weapons of mass destruction at the Nevada Test Site and Creech Air Force Base.

Most nights are spent camping with help from a Las Vegas support team.
Other accommodations are also available. **Part-time "pilgrims" welcome.**

Schedule Includes (check website or call for specifics):

- Western Shoshone sunrise ceremony
- Peace ritual at the Temple to Goddess Spirituality in Cactus Springs
- Kirtan Prayer Chanting
- Civil Resistance at Creech Air Force Base: includes Good Friday "No More Victims" Stations of the Cross re-enactment
- Passover Seder (Revolutionary 3rd Night)
- Mindfulness Meditation
- Vigil and Easter Mass at the gate to the Nevada Test Site

Please register to help us in our planning.

Suggested donation or fundraising goal is \$150 per person. Any contribution makes a difference. Sponsor a walker or collect pledges for walking!

Political background and logistical materials are online.
