

Walk with us as we transform fears into compassion and apathy into action.

30th Annual "Lenten Desert Experience"

2012 Sacred Peace Walk

Las Vegas to the Nevada Test Site
(now officially the Nevada National Security Site)

March 31 to April 6

We walk in the footsteps of a long legacy of Peace walkers and Spiritual leaders to draw attention to nuclear and other emerging, military technologies that continue to threaten our sacred planet and the community of life.

The 65 mile journey is a walking meditation. It is also an opportunity for civil resistance calling for an end to development, testing and use of new weapons of mass destruction at the Nevada Test Site and Creech Air Force Base.

Part-time "pilgrims" are welcome. (You can just come for some of the time.)

Schedule Includes in part (Check website or call for specifics):

- Western Shoshone Sunrise Ceremony
- Peace Ritual at the Temple to Goddess Spirituality in Cactus Springs
- Vigil and Civil Resistance at Creech AFB and the NNSS
- Good Friday "No More Victims" Stations of the Cross Re-enactment

Sponsor a walker.

Walk-a-thon pledge forms are online. Any contribution makes a difference.
