

Come Help Create Justice For Our Desert

**STOP THE VIOLENCE OF the
Nevada National Security Site
& Creech Air Force Base**

September 20th to 22nd

The anti-human practices of nuclearism, militarism, and terrorism can be peacefully stopped. The end of the ***gross abuse of our sacred desert*** at the Nevada National Security Site and ***targeted assassinations*** from Creech Air Force Base is at hand, if you want it! The military spends billions on violence, thieving from the masses who need a healthy environment and a just society. Creech and the NNSS are institutions of injustice! Let's continue the work of spiritual cleansing at these sites of death and mega-death, and help others choose life!

*Join Nevada Desert Experience for
three days in September
to protect our precious desert region
from the spiritual sickness of the
NNSS and Creech.*

**SATURDAY 20 Sept.
Nonviolence Training**

**SUNDAY 21 Sept.
Workshops & Concert
Eileen & the In-Betweens**

**MONDAY 22 Sept.
Nonviolent direct action
at Creech & the NNSS**
