*Finally, organizing something like a week long peace walk takes lots of coordination and logistical support. It also takes money in advance and during the Walk. NDE suggests that you send at least a \$50 deposit now. The entire suggested donation is \$200 for participation in the whole week. We don't turn people away for lack of funds. **If you can contribute more to help sponsor someone else, that will be greatly appreciated.** NDE is a 501c3 non-profit for tax purposes. Your participation in this walk can be instrumental in publicizing peace and environmental justice causes for your region because of our interconnected world. Please contact us if you need help working with local media, about the issues of militarism and nuclearism. You might enjoy talking with others about your specific personal motivations. See our website for a pledge sheet you can use to help others contribute in a walk-a-thon way for supporting your pilgrimage in the desert.*
